Subject: Ordinance Repealing Residency Requirements for Miami-Dade County Employees

The proposed ordinance to repeal Section 2-11.17 of the Code of Miami-Dade County relating to residency requirements for County employees will have no fiscal impact on Miami-Dade County. However, the implementation of this ordinance, if approved by the Board of County Commissioners, will have a positive operational impact to Miami-Dade County. It will increase the number of competitive applicants for County jobs and thereby reduce the current high vacancy ratios throughout County departments.
